KUPATILSKI NAMEŠTAJ

Izvršnost je naše opredeljenje

Minotti

MINOTTI PINO ART

Naša priča počela je pre više od dve decenije kada smo imali ideju da ponudimo nešto novo na tržištu opremanja kupatila. Trudili smo se da uvek pratimo nove trendove i potrebe kupaca, proširujemo asortiman, kao i da se stalno unapređujemo i tražimo inovativna rešenja. Svakodnevni izazovi sa kojima smo se susretali u poslovanju doprineli su da brzo shvatimo da je neophodno da se čvrsto pozicioniramo na polju prodaje kupatilskog nameštaja.

Tražeci partnera za takav projekat, imali smo jasno izraženu želju da finalni proizvod mora da ispunjava najstrožije standarde, odnosno da kvalitet izrade, estetika i praktičnost moraju biti na najvišem mogućem nivou kako bi svako kupatilo zasijalo punim sjajem.

Nakon prvog kontakta sa kompanijom PINO ART videli smo apsolutno istu želju sa druge strane, te je brzo započeto partnerstvo koje i danas traje na zadovoljstvo svih kupaca. Raznovrsna ponuda kupatilskog nameštaja, moderan dizajn i zagantovan kvalitet čini da svaka, pa i najsmelija ideja opremanja kupatilskog prostora bude uspešno realizovana.

Kada ocenjujem neko umetničko delo, odnesem ga pored nečega što je Bog stvorio, pored drveta ili cveta. Ako je neskladno , znači da nije umetnost.
